## **TOWN OF HERNDON ENCOURAGES ASSISTANCE TO THE VICTIMS OF HURRICANE KATRINA**

Thousands of volunteers are responding to assist in the aftermath of Hurricane Katrina, which completely devastated parts of Louisiana, Mississippi, and Alabama. Remnants of the hurricane caused damage in parts of Fauquier County, Virginia.

The Town of Herndon extends heartfelt sympathy to Katrina's victims and their families and gratitude to the countless individuals—volunteers and public safety personnel—who are assisting in the relief efforts. We ask our citizens to remember these courageous individuals in their thoughts and prayers.

For information about how you can help, visit the American Red Cross website, [www.redcross.org](http://www.redcross.org), or call 1-800 HELP NOW; or, visit the Federal Emergency Management Agency website, [www.fema.org](http://www.fema.org). Local newspapers and television and radio stations also have comprehensive lists of charitable organizations that are assisting in the relief efforts.
